Physicians in the independent network do not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. HealthiestYou does not guarantee that a prescription will be written. Services may vary by state.

*Available to Insured students and their covered Dependents; age restrictions may apply. If you call prior to the effective date of your coverage under the insurance plan, you will be charged a service fee before being connected to a board-certified physician.
